

SACC SUMMIT

What's next: The Future of Connectivity, Mobility, and the Workforce of Tomorrow

We at the Swedish American Chambers of Commerce have successfully facilitated and nurtured business relations between the United States and Sweden for more than 115 years.

Our annual Summit is a catalyst for future business success. This year, portions of the SACC Summit will be held virtually!

- A three-day Summit where our speakers and participants will get a glimpse of what's next in Connectivity, Mobility, and the Workforce.
- Learn what innovations will shape our businesses and lives in the coming years.
- Ample opportunities to network and create new connections.

What

When

November 2-4, 8-11 am PDT

- **Nov 2.** Connectivity – Innovation and expansion are expected to change our lives.
- **Nov 3.** Mobility – The way we travel and move goods globally and locally is changing rapidly.
- **Nov 4.** Workforce – What to expect for and from the workforce of tomorrow.

- Opening remarks by H.E Karin Olofsdotter, Swedish Ambassador to the U.S.
- Members from 19 SACC Chambers.
- Decisionmakers and innovators from Swedish and U.S companies.
- Speakers from cutting edge companies, including [Polestar](#), [Einride](#), [DragonWave-X](#), [Deloitte](#), and more.

Who

Where

- **Virtually:** Three half days of presentations for participants in the U.S and in Sweden.
- **In-Person:** Join us in-person in Phoenix, for afternoon programs, meetings, and events. Or from a satellite location in the U.S. or Sweden, with networking, meetings, and local events (based on availability).
